A guide that cuts through the haze of misinformation and delivers an insightful message to anyone living with or at risk from the following: cancer, diabetes, heart disease, obesity, Alzheimer's disease and /or osteoporosis. Dr Campbell illuminates the connection between nutrition and these often fatal diseases and reveals the natural human diet. He also examines the source of nutritional confusion produced by powerful lobbies, government entities and opportunist scientists. Part medical thriller, part governmental exposé.

Contains more than 125 tasty recipes, designed for even the beginning cook, for everything from soups and appetizers to Chicken and Broccoli Potato Topper, Ginger Stir Fry, and a delicious green bean bake.
