The classic study of human nature which depicts the degeneration of a group of schoolboys marooned on a desert island.

Convincing his mother that he has gone to Children's Island, a summer camp, Reine Larsson, a ten-year-old, is determined to get by on his own resources in Stockholm for the summer

A spellbinding, deeply felt debut novel--soaring and poignant--about passion, freedom, motherhood, and the power to shape our destinies. Oona grew up on the island of Inis: a wind-blasted rock off the coast of Ireland where the men went out on fishing

Online Library Children Island

boats and the women tended turf fires; where the only book was the Bible; and where girls stayed at home until they became mothers themselves. The island was a gift for some, a prison for others. Even as a child, Oona knew she wanted to leave, but she never could have anticipated the tumultuous turn of events that would ultimately compel her to flee. Now, after twenty years--after Oona has forged a new, very different life for herself--her daughter vanishes, forcing Oona to face her past in order, finally, to be free of it. Heralding a singularly gifted new voice in fiction, *The Island Child* is a timeless story of birth and betrayal, storms and shipwrecks and fairy children, and the weight of long-buried secrets.

Burdened with bundles and baskets, a million or more immigrant children passed through the often grim halls of Ellis Island. Having left behind their homes in Europe and other parts of the world, they made the voyage to America by steamer. Some came with parents or guardians. A few came as stowaways. But however they traveled, they found themselves a part of one of the grandest waves of human migration that the world has ever known. *Children of Ellis Island* explores this lost world and what it was like for an uprooted youngster at America's golden door. Highlights include the experience of being a detained child at Ellis Island--the schooling and games, the pastimes and amusements, the

friendships, and the uneasiness caused by language barriers.

A strange group of savage children mysteriously appears in New York City and are responsible for a series of brutal murders

From New York Times bestseller and Pulitzer Prize winner Junot Díaz comes a debut picture book about the magic of memory and the infinite power of the imagination. A 2019 Pura Belpré Honor Book for Illustration Every kid in Lola's school was from somewhere else. Hers was a school of faraway places. So when Lola's teacher asks the students to draw a picture of where their families immigrated from, all the kids are excited. Except Lola. She can't remember The Island—she left when she was just a baby. But with the help of her family and friends, and their memories—joyous, fantastical, heartbreaking, and frightening—Lola's imagination takes her on an extraordinary journey back to The Island. As she draws closer to the heart of her family's story, Lola comes to understand the truth of her abuela's words: “Just because you don't remember a place doesn't mean it's not in you.” Gloriously illustrated and lyrically written, *Islandborn* is a celebration of creativity, diversity, and our imagination's boundless ability to connect us—to our families, to our past and to ourselves.

Life in their rented summer cottage on Seacrow Island is sometimes happy, sometimes exciting and sometimes tragic, but it is never uneventful for a Swedish author, his three sons and 19-year-old daughter. Simultaneous eBook.

With a dash of Lemony Snicket, a dollop of the Addams Family, and a hearty dose of adventure, New York Times bestselling author Natalie Lloyd introduces a new series about seven strange and adventurous siblings who tackle problems together—even when their new neighbors try to tear them apart. Filled with mystery, humor, and adventure, the first book in this new trilogy is an unforgettable tale of adventure, family, and finding the courage to face any problem heart-first. When the Problim children's ramshackle bungalow in the Swampy Woods goes kaboom, the seven siblings—each born on a different day of the week—have to move into their grandpa's bizarre old mansion in Lost Cove. No problem! For the Problim children, every problem is a gift! But rumors about their family run rampant in the small town: tales of a bitter feud, a hidden treasure, and a certain kind of magic lingering in the halls of #7 Main Street. Their neighbors, the O'Pinions, will do anything to find the secrets lurking inside the Problim household—including sending the seven children to seven different houses on seven different continents!

Online Library Children Island

Depicts the changes that occur on a small island as the seasons come and go, as day changes to night, and as a storm approaches.

Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind.
