Digital marketing now represents 25% of the marketing spend in the UK and this is predicted to move to 50% or higher within the next three years. Understanding Digital Marketing looks at the world of digital marketing: how it got started, how it got to where it is today, and where the thought leaders in the industry believe it is headed in the future. This authoritative title demonstrates how to harness the power of digital media and use it to achieve the utmost success in business, now and in the future.Understanding Digital Marketing deals with every key topic in detail, including:search marketing,social media, Google, mobile marketing, affiliate marketing, e-mail marketing, customer engagement and digital marketing strategies. Essential reading for both practitioners and students alike, and including real-world examples of digital marketing successes and expert opinions, Understanding Digital Marketing provides you with tools to utilize the power of the internet to take your company wherever you want it to go.

The premier guide to digital marketing that works, and a solid framework for success The Art of Digital Marketing is the comprehensive guide to cracking the digital marketing 'code,' and reaching, engaging, and serving the empowered consumer. Based on the industry's leading certification from the Digital Marketing Institute (DMI), this book presents an innovative methodology for successful digital marketing: start with the customer and work backwards. A campaign is only effective as it is reflective of the consumer's wants, needs, preferences, and inclinations; the DMI framework provides structured, implementable, iterative direction for getting it right every time. The heart of the framework is a three-step process called the 3i Principles: Initiate, Iterate, and Integrate. This simple idea translates into higher engagement, real customer interaction, and multichannel campaigns that extend even into traditional marketing channels. The evolution of digital marketing isn't really about the brands; it's about consumers exercising more control over their choices. This book demonstrates how using this single realization as a starting point helps you build and implement more effective campaigns. Get inside the customer's head with deep consumer research Constantly improve your campaigns based on feedback and interactions Integrate digital activities across channels, including traditional marketing Build campaigns based on customer choice and control Digital marketing turns traditional marketing models on their heads. Instead of telling the customer what to think, you find out what they already think and go from there. Instead of front-loading resources, you continually adjust your approach based on real interactions with real customers every day. Digital marketing operates within its own paradigm, and The Art of Digital Marketing opens the door for your next campaign.

Effectively select, align and manage digital channels and operations using this second edition of the bestselling guide, Digital Marketing Strategy. This accessible, step-by-step framework enables the planning, integration and measurement of each digital platform and technique, all tailored to achieve overarching business objectives. Ranging from social media, SEO, content marketing and user experience, to customer loyalty, automation and personalization, this edition features cutting edge updates on marketing automation, messaging and email, online and offline integration, the power of technologies such as AI, plus new data protection and privacy strategies. Digital Marketing: Integrating Strategy and Tactics with Values is an easy-to-understand guidebook that draws on the latest digital tactics and strategic insights to help organizations generate sustainable growth through digital integration. It provides a roadmap to adopt a digital mindset, incorporate digital trends strategically, and integrate the most effective digital tactics and tools with core values to achieve competitive advantage. Bringing the reader through its five-step Path to Digital Integration (Mindset, Model, Strategy, Implementation, and Sustainability), Digital Marketing seeks to Outline the key drivers of change and leading digital marketing trends executives need to understand and incorporate to drive business opportunity. Evaluate the digital channels and technologies management teams can leverage to execute a successful Integrated Digital Marketing strategy. This includes insight into the latest digital tactics (website, social, mobile, search, content, and email marketing; data analytics) and social tools (Facebook, Twitter, YouTube, LinkedIn, Instagram, Pinterest, and Google Plus). Discover the impact of digital transformation on the organization, from the effect of digital tactics on the customer experience (CX) to the value of integrating internal digital strategies to facilitate collaboration and innovation. Guide aspiring leaders on how to combine core values and business goals with progressive digital strategies, tactics, and tools to generate sustainable outcomes for all stakeholders. This interactive guidebook provides a truly Connected Digital Experience (CDE): the Zappar augmented reality mobile app allows the reader to activate the "Discover More" and "Play Video" icons found throughout the book, instantly connecting the reader, via their mobile device, to additional content housed on our companion website, Digital Marketing Resource Center (www.dmrresourcecenter.org). "Play Video" icons incorporate point-in-time video commenting solution Vusay to enable interactive social conversations around each video. Digital Marketing is the ideal guide for aspiring leaders – executives, instructors, owners, entrepreneurs, managers, students – at all stages of digital literacy. To request access to the resources in the Digital Marketing Resources Center, please contact Ira Kaufman at ira@entwinedigital.com.

8 powerful ways to market your business online to consistently generate an abundance of leads that convert into profitable customers. Dynamic Digital Marketing teaches any business or individual how to increase online visibility and presence, attract their target audience, generate leads, and convert them into profitable customers. Author Dawn McGruer is an expert at making businesses and brands shine online. She is passionate about helping entrepreneurs and businesses maximise their digital marketing profits by developing digital skills which scale and grow their businesses and accelerate their success. Most entrepreneurs and businesses fully understand the importance of digital marketing, yet many do not know where to start or, worse, continue to spend time, money, and effort on strategies that fail to provide the best results for their investment. To remedy this situation, Dawn developed her multi-award-winning digital marketing framework, Dynamic Digital Marketing Model. Offering step-by-step guidance, this book shows you how to use this model to market your business online whilst transforming yourself into a proficient digital marketer. This must-read book will help you: Gain invaluable insights on what works – and what doesn't – based on the author's 20 years' experience in digital marketing Avoid pitfalls and missteps by implementing the same proven success strategies used by key influencers Harness the power of search engine optimisation (SEO), social media, content marketing, online video, and more Amplify your brand, cultivate customers, and increase profits Incorporate e-mail marketing, customer analytics, strategic web design, and influencer partnerships in your overall digital marketing strategy Dynamic Digital Marketing: Master the world of online and social media marketing to grow your business is an indispensable resource for business leaders, business owners, marketing and sales professionals, digital strategists and consultants, entrepreneurs, and students in business and marketing programmes.

In this age of marketing complexity, some marketers have risen above the fray and are accelerating the results of their digital marketing campaigns. They have a complete view of the market and their place in it, and have developed strategies and plans that work. They are not confused at all about the types of campaigns that are available, and they have complete confidence in the ads, messages, offers, and content they are producing. Most marketers, however, don't live life this way. They struggle with their campaigns and live in a perpetual state of confusion, wishful thinking, and risk-taking. Along with their professional frustrations, they experience negative emotions and are never totally happy with their work. Digital Marketing in the Zone breaks through the clutter and provides a clear blueprint to enable marketers to be confident and successful in Digital Marketing.

Distill 100%–Usable Max-Profit Knowledge from Your Digital Data. Do It Now! Why hasn't all that data delivered a whopping competitive advantage? Because you've barely begun to use it, that's why! Good news: neither have your competitors. It's hard! But digital marketing analytics is 100% doable, it offers colossal opportunities, and all of the data is accessible to you. Chuck Hemann and Ken Burbary will help you chop the problem down to size, solve every piece of the puzzle, and integrate a virtually frictionless system for moving from data to decision, action to results! Scope it out, pick your tools, learn to listen, get the metrics right, and then distill your digital data for maximum value for everything from R&D to CRM to social media marketing! • Prioritize—because you can't measure, listen to, and analyze everything • Use analysis to craft experiences that profoundly reflect each customer's needs, expectations, and behaviors • Measure real social media ROI: sales, leads, and customer satisfaction • Track the performance of all paid, earned, and owned social media channels • Leverage "listening data" way beyond PR and marketing: for strategic planning, product development, and HR • Start optimizing web and social content in real time • Implement advanced tools, processes, and algorithms for accurately measuring influence • Integrate paid and social data to drive more value from both • Make the most of surveys, focus groups, and offline research synergies • Focus new marketing and social media investments where they'll deliver the most value Foreword by Scott Monty Global Head of Social Media, Ford Motor Company
