The breathtaking Dark-Hunters saga continues with *Dragonsworn*—from #1 New York Times bestselling author Sherrilyn Kenyon There is nothing in the universe the cursed dragon, Falcyn, hates more than humanity . . . except Greek humans. In a war he wanted no part of, they systematically destroyed everything he'd ever cared for. Now he waits for the day when evolution will finally rid him of the human vermin. Medea was born the granddaughter of the Greek god Apollo, and among the first of his people that he cursed to die. But she will not let anyone rule her life. Not even her notorious grandfather. And when Apollo sends a new plague to destroy what remains of her people, she refuses to stand by and watch him take everything she loves from her again. This time, she knows of a secret weapon that can stop the ancient god and his army of demons. Once and for all. However, said device is in the hands of a dragon who wants nothing to do with politics, the gods, humanity, demons or Apollites. And especially not her. He is the immovable object. She is the unstoppable force . . . When Apollo makes a strategic move that backfires, he forces Falcyn back into play. Now Medea either has the weapon she needs to save her people, or she's unleashed total Armageddon. If she can't find some way to control the dragon before it's too late, Falcyn will be an even worse plague on the world than the one Apollo has set loose. But how can anyone control a demonic dragon whose sole birthright is world annihilation?

Enslaved and separated from everyone he knew and from his own dragon brothers, he was forced into exile in a fey realm where he lost the only thing he ever really loved. Now he has a chance to regain what's been lost—to have the one thing he covets most. But only if he gives up his brothers and forsakes the oaths he holds most dear. Yet what terrifies him most isn't the cost his happiness might incur, it's the fact that there is just enough human in his dragon's heart that he might actually be willing to pay it and betray everything and everyone—to see the entire world burn in Dragonmark, the next blockbuster Dark-Hunter novel by #1 New York Times bestselling author Sherrilyn Kenyon.

Sherrilyn Kenyon's most highly-anticipated novel in the New York Times bestselling Dark-

Hunter series since Acheron is here—the unforgettable story of Styxx, Acheron's twin brother and one of the most powerful beings on earth Just when you thought doomsday was over . . . Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. As the twin to Acheron, Styxx hasn't always been on his brother's side. They've spent more centuries going at each other's throats than protecting their backs. Now Styxx has a chance to prove his loyalty to his brother, but only if he's willing to trade his life and future for Acheron's. The Atlantean goddess of Wrath and Misery, Bethany was born to right wrongs. But it was never a task she relished. Until now. She owes Acheron a debt that she vows to repay, no matter what it takes. He will join their fellow gods in hell and nothing is going to stop her. But things are never what they seem, and Acheron is no longer the last of his line. Styxx and Acheron must put aside their past and learn to trust each other or more will suffer. Yet it's hard to risk your own life for someone who once tried to take yours, even when it's your own twin, and when loyalties are skewed and no one can be trusted, not even yourself, how do you find a way back from the darkness that wants to consume the entire world? One that wants to start by devouring your very soul?

Skeptic photographer Josette reluctantly takes employment with a paranormal group before being drawn to condemned immortal Cadegan, whose inner demon is determined to consume Josette's soul.
