practice problems. The tenth edition features InfoTrac college edition access.

Gitman's Brief Third Edition approaches introductory finance with a focused concentration on the fundamental concepts, techniques, and practices of managerial finance. Integrating pedagogy with the concepts and practical applications necessary for a solid understanding of managerial finance, this edition equips instructors and students to concentrate on the concepts, techniques, and practices for keen financial decision making in an increasingly competitive business environment.

Continuing the four goals from the first edition, i.e. helping students to make good financial decisions, providing a solid text
