In a hotbed of secrets like Baton Rouge, it's only natural Assistant District Attorney Erin Jerome is keeping a couple of her own. Like the fact she's not entirely human - she's Other, desperately trying to keep her supernatural strength under wraps. Or that she's got a killer stalking her - an Other rogue set on "gifting" her bloody corpses, causing her to spend nights lying awake in terror. But the bounty hunter on her new case is about to change everything. Jude Donovan is a shapeshifter, and when the two are near each other their hidden instincts are definitely awakened. Tracking a rogue Other is hard enough without allowing their wild sides to come out to play. . . A Night Watch novel by New York Times bestselling author, Cynthia Eden.

The first installment in a sexy new paranormal romance series by Larissa Lone, author of the bestselling Demonica series! Nicole Martin was only eight years old when she narrowly survived a massacre: her family 's vampire slaves rebelled and killed everyone in her household. Twenty years later, Nicole now dedicates herself to finding a vaccine against vampirism...and eradicating the gruesome memories that give her nightmares. Riker, a member of the wild vampire Moon Clan, is haunted by his own demons—his wife Lorraine had been captured and enslaved by the Martin family. It was during a botched escape attempt that she was killed, along with their unborn child. Still wracked with grief and anger, Riker is now fueled solely by the desire to rescue vampire slaves...and slaughter their owners. When Riker stumbles upon Nicole in a chance meeting, he immediately recognizes her as a member of the Martin family that once enslaved his wife—and she recognizes him as the wild vampire she saw kissing a pregnant slave in the moments before her violent death—an image that has haunted her dreams for years. When Riker kidnaps Nicole and they spend a night together in a cave on the way back to his clan, suddenly they begin to realize that they aren 't as different from one another as they may have thought—and they 're finding themselves drawn to one another...

A shifter detective 's case heats up when he meets the one woman who could expose his secret—or seduce his wild side—in this steamy paranormal romance. Dr. Emily Drake's psychotherapy patients tend to be a little unusual. But healing these powerful beings requires an important rule: Never trust a shifter. Especially not one like Detective Colin Gyth. Helping him catch a killer won 't be easy—especially when his gold-flecked eyes and predatory air make Emily long to lose control. Colin can't believe the doctor he has to work with on the Night Butcher murder case is the one person who could expose his true identity as a wolf shifter. Smart and sexy, Emily brings out the alpha male in Colin, unleashing a wild desire that takes them both over the edge. . . . But in the shadows, the Night Butcher waits, eager to spill Emily's blood and taste her terror. And he'll use any means to destroy her, including the one person she has grown to trust. . .
