hand in glove On intimate terms, in close association, as in The internist is hand in glove with the
surgeon, so you'd better get a second opinion. This metaphoric expression for a close fit was already
included in John Ray's 1678 collection of proverbs, when it was put hand and glove. See also: glove,
hand

In her seaside cottage, Beatrix Abberley bravely confronts an intruder moments before her life is brutally taken. The crime stuns the elderly spinster ’ s family—especially Beatrix ’ s niece, Charlotte Ladram. But Charlotte has little time to mourn the loss of her beloved aunt and little patience when police quickly arrest a man Charlotte believes is innocent. For Charlotte, a harrowing quest for answers begins—one

that will take her into the shadows of the past...and into the life and secrets of the dead woman's brother, famed poet and casualty of the Spanish Civil War, Tristram Abberley. Now, amid shattering revelations about her family, and in the aftermath of a second savage crime, Charlotte finds herself at the center of a widening storm. And for Charlotte, something extraordinary is beginning to happen. As fifty years of secrets begin to unravel, shy, cautious Charlotte is coming alive in the shadow of a mystery—uncovering a shocking tale of wartime greed and treachery, and a vendetta of violence seemingly without end....

Superintendent Roderick Alleyn finds a host of suspects and a tangled set of relationships when he journeys to a genteel English country estate, shared by retiree Percival Pyke Period and lawyer Harry Cartell, to investigate a murder. Reprint.

Story of gloves and their past in history through the ages.

When Judith Daniels' friend calls her in the middle of the night and says that someone is trying to kill her, Judith assumes it's more of Lacey's usual drama. After a full day of work at her small-town newspaper and several nights with very little sleep, Judith doesn't have time for Lacey's wild imagination, but when she wakes up to discover that her best friend is dead, she realizes that while the police may be calling the death an accident, she owes it to her friend to discover if something more sinister has taken place. Lacey had been working at The Puppet Factory for world famous puppeteer, Ryan Smith. Ryan is rich, gorgeous, famous and reclusive. And he might be the last person who saw Lacey alive. Ryan realizes what Judith is up to almost as soon as she walks through the door to interview for a position that she's far too qualified for. He recognizes the nosey reporter from pictures Lacey had shown him, but he also knows that kicking her out will only make her think he has something to hide. He's sure that Lacey's death was nothing more than a tragic accident, and he assumes the best way to prove that to Judith is to let her stay at The Puppet Factory and do a little investigating of her own. The fact that he is attracted to her has nothing to do with it. The only flaw with Ryan's plan is that Lacey's death was no accident. And the closer Ryan gets to Judith the closer the killer gets to her.

The Parable of the Hand and the Glove: A Spiritual Awakening is the story of a beautiful peaceful, forgiving, divine hand that had deep gratitude, love, and compassion for everyone. The hand was happy with others and circumstances just as they were. It had great energy, which it used to bless everyone while interacting enthusiastically with other hands without negative judgment. The hand's communications were always uplifting. Then the hand noticed that the other hands had gloves on all of the time. When the hand was wearing a glove, no one ever saw what was happening inside the glove. It became increasingly difficult to distinguish between the hand and the glove. Soon, the hand forgot that all the gloves had hands inside, and it began thinking it was a glove. This hand could instantly put on a glove for just about any situation. The glove loved being right even more than it liked being at peace! It would do anything to get nicer possessions, greater security, higher status, and more attention. As a glove, the hand was certain that happiness was just around the next corner. But the glow from the attention and the new acquisition didn't last long at all—and that was where the trouble began. If the definition of classic literature is gaining new benefit every time you re-read it, The Parable of The Hand and The Glove is destined to become a classic.

Wealthy industrialist P. L. Storrs has never approved of lady detectives, and he normally would not have made an exception of Theodolina "Dol" Bonner. But faced with a very delicate problem and surprisingly impressed, he hires her instantly. It seems that Storrs' bird-witted wife has fallen under the spell of a smooth-talking religious charlatan, and now Storrs wants Dol to get the goods on him. But when the

gorgeous gumshoe arrives at Storrs ' picturesque country estate, Birchhaven, to meet the scoundrel, she finds more than she bargained for – namely, the corpse of her client and a garden party teeming with suspects!

When analyzing the results of diagnostic imaging studies, the radiologist traditionally makes reference to particular features representative of normality or pathology. Most of these features are associated with images of the world around us. This pictorial issue contains nearly 400 illustrations and descriptions of more than 100 classic radiological signs of chest and abdominal diseases that are not named after authors but based on metaphors derived from contemplation of our environment. By correlating the results of computed tomography with these vivid descriptive images, readers will be able to memorize typical and often pathognomonic patterns of disease more quickly and more easily. This book will be of value for both radiology residents and more experienced radiologists.
