The PA of Acupuncture provides the reader with a brief overview of the history of acupuncture in China and Europe, it describes the underlying principles of Chinese medicine and how it differs from Western medicine, and it looks at the way Western medicine attempts to explain the effects achieved by acupuncture therapy. The main focus of this book is the presentation of the 361 classic acupuncture points giving details of their locations, the way they are classified, their actions and indications, as well as the needling techniques to be used. On the pages facing the descriptions, there are precise anatomical drawings showing the paths of the channels and the points located on them.

Carbohydrates give the body energy. They are in many foods people eat each day. But some carbohydrates are healthier than others. Your Body on Carbohydrates uncovers the nutritional benefits of carbohydrates, how they interact with the body, and how to include them as part of a balanced diet. Easy-to-read text, vivid images, and helpful back matter give readers a clear look at this subject. Features include a table of contents, infographics, a glossary, additional resources, and an index. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.
