"The rhythmic, onomatopoeic text dances across exuberant watercolors with lots of movement. This celebration of a child's agency in choosing a means of artistic expression strikes just the right note." --Kirkus "A delightful offering for reading aloud, especially during music-themed storytimes." --School Library Journal From New York Times bestselling author Chris Barton and new illustrator Louis Thomas comes a fun, rhythmic picture book about finding the music that is perfect for you! A boy who loves to make noise gets to pick only one instrument (at his parents urging) in a music store, but there is too much to choose from! There's triangles and sousaphones! Young Loki is at a severe disadvantage: everyone in Asgard remembers him from his previous life - but they're all strangers to him, and they fully intend to keep it that way. Desperate, Loki conjures up a mystical means of eavesdropping on their private thoughts, but what he learns doesn't make him happy. even worse, the lesson itself may just cost him his life! Then: there's a story bartenders tell about the devil. that at closing time, he chooses a bar and walks in the door. He'll want to talk about his day. If you listen and survive, he'll give you a tip. The story isn't true, but occasionally it amuses Mephisto to play along. And when he's spent the day spying on all the earthly gods and what exactly they're going to do about Fear Itself, you'll want to hear what he has to say.
