summer, Zach goes on the Big wheel with Grandma. She understands. But one summer, Grandma is gone and Grandpa is not the same. He misses her terribly. So does Zach. But he also wants his grandpa to be happy again. What will it take? Maybe a ride on the roller coaster? Heart-warming and uplifting, here is a story for every family that loves and cares for one another.

Working up the courage to take a big, important leap is hard, but Jabari is almost absolutely ready to make a giant splash. Jabari is definitely ready to jump off the diving board. He's finished his swimming lessons and passed his swim test, and he's a great jumper, so he's not scared at all.

“Looks easy,” says Jabari, watching the other kids take their turns. But when his dad squeezes his hand, Jabari squeezes back. He needs to figure out what kind of special jump to do anyway, and he should probably do some stretches before climbing up onto the diving board. In a sweetly appealing tale of overcoming your fears, newcomer Gaia Cornwall captures a moment between a patient and encouraging father and a determined little boy you can't help but root for.

Trixie and Tracky are disappointed when the wooden train set they join is full of bossy trains and snoring train tracks.

creative kids aged 9 to 14, it's the perfect eco-friendly building material, and Cardboard Box Engineering is the perfect guide to get them started on inventive tinkering. A working kaleidoscope, a marble roller coaster, a robotic hand, and a wind-powered tractor with cardboard gears are just some of the ingenious projects developed by Jonathan Adolph, author of the best-selling *Mason Jar Science*. Working with simple household tools, kids can follow the step-by-step photographic instructions to exercise their design smarts, expand their 3-D thinking, and learn the basics of physics and engineering with activities that have real-life applications.

Looks at the experiences of a strong-willed young Inuit girl who receives permission from her father to travel to a residential religious school run by non-Inuit outsiders, where she struggles to adapt to the new way of living.

A sporting classic and a manual for living Sourav Ganguly life has been full of highs and lows. Arguably India greatest cricket captain, he gave confidence to the team, reenergized them and took India, for the first time, to spectacular overseas victories. But Ganguly story also came with great challenges from his early days where he had to wait four long years before being included in the team to the ugly battle with

take anything about society at face value. “From the moment we are born, we are considered threats in need of ‘special’ management. We are watched and shaped and exploited by a force most of us never see. . . . All to keep us safe. . . . Do you feel safe?! Or do you feel like you’re in a cage?”—Shay In Pretties, Tally Youngblood and her daring best friend, Shay, both underwent the operation that turned them from ordinary Ugliers into stunning beauties. Now this thrilling new graphic novel reveals Shay’s perspective on living in New Pretty Town . . . and the way she sees it, there’s more to this so-called paradise than meets the eye. With the endless parties and custom-made clothes, life as a

Pretty should be perfect. Yet Shay doesn't feel quite right. She has little to no memory of her past; it's as if something in her brain has inexplicably changed. When she reunites with Tally and the Crims—her rebellious group of friends from Uglyville—she begins to recall their last departure to the wild, and the headstrong leader she used to be. And as she remembers the truth about what doomed their escape, Shay decides to fight back—against the status quo, against the mysterious Special Circumstances, even against her own best friend.
