Sherlock Holmes The Rediscovered Railway

There are four separate mysteries that are supposedly rediscovered by Dr. John Watson in one of his old trunks, and being inspired he has decided to share them with us now. The four stories are titled; An Inscrutable Masquerade, The Trinity Vicarage, The Conundrum of Coach 13 Larceny, and The 10:59 Assassin.

Sherlock Holmes: The rediscovered railway mysteries and ...

John Taylor started writing Sherlock Holmes short-stories for BBC Radio and they were later released in a CD as The Unopened Casebook of Sherlock Holmes. The idea is that notes on old cases are found by Dr. Watson in a wooden chest in his bureau many years after they happened. The Rediscovered Railway Mysteries we never aired, but got an even better luck: their audiobook is narrated by Benedict Cumberbatch, who 's set to dethrone Jeremy Brett as the detective 's incarnation.

Print (paperback) ISBN. 0-7490-0546-7 (first paperback edition) Sherlock Holmes and the Railway Maniac is a Sherlock Holmes pastiche novel by Barrie Roberts which pits Sherlock Holmes against an anarchist who is bombing trains. The story involves real life incidents such as the Siege of Sidney Street. The events of the novel bookend the original Doyle story His Last Bow.

10 thoughts on “ Benedict Cumberbatch Reads Sherlock Holmes ’ Rediscovered Railway Stories: Four Original Short Stories By John Taylor [Audible Audiobook] ” Jeff Meyerson October 8, 2020 at 5:59 am. As mentioned previously, I never listen to them. I do think the narrator is all-important, as a good one can make a book, while a bad one can kill it.

Benedict Cumberbatch Reads Sherlock Holmes' Rediscovered ...

Ever since he made his first appearance in A Study In Scarlet, Sherlock Holmes has enthralled and delighted millions of fans throughout the world. Now Audible is proud to present Arthur Conan Doyle's Sherlock Holmes, read by Stephen Fry. A lifelong fan of Doyle's detective fiction, Fry has narrated the definitive collection of Sherlock Holmes - four novels and four collections of short stories.

Benedict Cumberbatch has played detective and monster, barrister and scientist, politician and painter, comic and spy. Still only in his thirties, he has become one of Britain's foremost acting talents, excelling in theatre, television, radio and cinema. With a string of starring and supporting roles, he has portrayed contemporary icons, historical figures and fictional favourites, from Stephen Hawking, to William Pitt the Younger, to Frankenstein. He has become a radio comedy staple too, as the bungling airline pilot Captain Martin Crieff, in Radio 4's Cabin Pressure. But inevitably, he is still best known for his idiosyncratic and boldly 21st century incarnation of Sherlock Holmes in the BBC TV series, Sherlock. In this book, Justin Lewis traces Benedict Cumberbatch's career to date, from his early promise in Harrow School plays, through his first supporting roles in film, theatre and TV, to national and international acclaim. He examines his considerable contributions not only to Sherlock, but also to Sir Tom Stoppard's adaptation of Parade's End on television, and to feature films such as Tinker, Tailor, Soldier, Spy, Star Trek Into Darkness and War Horse.

The Rumpole renaissance continues to build, and now the beloved barrister 's many followers have a special reason to rejoice: a sensational full-length Rumpole novel that at last relates the oft-mentioned but never revealed story of Rumpole 's first case, the Penge Bungalow affair. Looking back half a century into a very

Download Free Sherlock Holmes The Rediscovered Railway And Other Stories

different world, Rumpole recalls a man accused of murdering his father and his father's friend with a pistol taken from a dead German pilot. It was this trial and its outcome that put Rumpole on the map and shaped him into the cantankerous defender of justice that readers know and love. This is a must-read for every Rumpole fan and a compelling invitation to new readers.

Victor L. Whitechurch was an English writer and a Church of England clergyman. Whitechurch's most famous work is *Thrilling Stories of the Railway* which feature the famous vegetarian detective Thorpe Hazell.

Four previously uncollected stories from one of the great mystery writers of our time--swift, cunning murder mysteries (two of which feature the young Adam Dalgliesh) that together, to borrow the author's own word, add up to a delightful "entertainment." The newly appointed Sgt. Dalgliesh is drawn into a case that is "pure Agatha Christie." . . . A "pedantic, respectable, censorious" clerk's secret taste for pornography is only the first reason he finds for not coming forward as a witness to a murder . . . A best-selling crime novelist describes the crime she herself was involved in fifty years earlier . . . Dalgliesh's godfather implores him to reinvestigate a notorious murder that might ease the godfather's mind about an inheritance, but which will reveal a truth that even the supremely upstanding Adam Dalgliesh will keep to himself. Each of these stories is as playful as it is ingeniously plotted, the author's sly humor as evident as her hallmark narrative elegance and shrewd understanding of some of the most complex--not to say the most damning--aspects of human nature. A treat for P. D. James's legions of fans and anyone who enjoys the pleasures of a masterfully wrought whodunit.

Succumb to one churchman's apocalyptic vision in this prophetic tale by the radical Nobel Laureate and author of *Lord of the Flies*, William Golding (recorded by Benedict Cumberbatch as an audiobook). There were three sorts of people. Those who ran, those who stayed, and those who were built in. Dean Jocelin has a vision: that God has chosen him to erect a great spire. His master builder fearfully advises against it, for the old cathedral was miraculously built without foundations. But Jocelin is obsessed with fashioning his prayer in stone. As his halo of hair grows wilder and his dark angel darker, the spire rises octagon upon octagon, pinnacle by pinnacle, watched over by the gargoyles - until the stone pillars shriek, the earth beneath creeps, and the spire's shadow falls like an axe on the medieval world below ... 'Astounding ... So recklessly beautiful, so sad and so strange ... Holds such a place in my soul that it's more or less a sacred text.' Sarah Perry 'A kind of miracle ... Genius.' Guardian 'Quite simply, a marvel.' NYRB 'Superb ... A classic.' Rebecca West 'A master fabulist .. An iconoclast.' John Fowles 'A visionary ... His masterwork [of] faith, folly and desperate desire ... Golding at his best.' Benjamin Myers

The towers of silence : Follows the decline of Barbie Batchelor, a one-time mission-school teacher, as the Anglo-Indian world begins to collapse around her.

The inspiring, true coming-of-age story of a ferociously determined young man who, armed only with his intellect and his willpower, fights his way out of despair. In 1993, Cedric Jennings was a bright and ferociously determined honor student at Ballou, a high school in one of Washington D.C.'s most dangerous neighborhoods, where the dropout rate was well into double digits and just 80 students out of more than 1,350 boasted an average of B or better. At Ballou, Cedric had almost no friends. He ate lunch in a classroom most days, plowing through the extra work he asked for, knowing that he was really competing with kids from other, harder schools. Cedric Jennings's driving ambition—which was fully supported by his forceful mother—was to attend a top college. In September 1995,

Download Free Sherlock Holmes The Rediscovered Railway And Other Stories

after years of near superhuman dedication, he realized that ambition when he began as a freshman at Brown University. But he didn't leave his struggles behind. He found himself unprepared for college: he struggled to master classwork and fit in with the white upper-class students. Having traveled too far to turn back, Cedric was left to rely on his intelligence and his determination to maintain hope in the unseen—a future of acceptance and reward. In this updated edition, *A Hope in the Unseen* chronicles Cedric's odyssey during his last two years of high school, follows him through his difficult first year at Brown, and tells the story of his subsequent successes in college and the world of work. Eye-opening, sometimes humorous, and often deeply moving, *A Hope in the Unseen* weaves a crucial new thread into the rich and ongoing narrative of the American experience.

Comedian and actor Stephen Fry's witty and practical guide, now in paperback, gives the aspiring poet or student the tools and confidence to write and understand poetry. Stephen Fry believes that if one can speak and read English, one can write poetry. In *The Ode Less Travelled*, he invites readers to discover the delights of writing poetry for pleasure and provides the tools and confidence to get started. Through enjoyable exercises, witty insights, and simple step-by-step advice, Fry introduces the concepts of Metre, Rhyme, Form, Diction, and Poetics. Most of us have never been taught to read or write poetry, and so it can seem mysterious and intimidating. But Fry, a wonderfully competent, engaging teacher and a writer of poetry himself, sets out to correct this problem by explaining the various elements of poetry in simple terms, without condescension. Fry's method works, and his enthusiasm is contagious as he explores different forms of poetry: the haiku, the ballad, the villanelle, and the sonnet, among many others. Along the way, he introduces us to poets we've heard of but never read. *The Ode Less Travelled* is not just the survey course you never took in college, it's a lively celebration of poetry that makes even the most reluctant reader want to pick up a pencil and give it a try.

It is the autumn of 1888. Following the successful conclusion of the investigation into the affair of the Hound of the Baskervilles, Sherlock Holmes and Dr Watson have returned from Dartmoor, little realising that fate will see them back in Devon before the year is out. Holmes receives a potentially lethal package, the first strand in the tangled skein, which he will need to unravel before this new adventure is resolved. A threat to Holmes' life, murders on Hampstead Heath, and a strange phantom lady lead Holmes and Watson into the most dangerous investigation they have ever undertaken - an encounter which brings them face to face with evil itself, embodied in Count Dracula, the Lord of the Undead.
