Each composer addresses the following topics: biography ; creative process ; approach to orchestration ; views from the composer to the conductor ; the

relationship between the composer and the commissioning party ; views on the teaching of composition ; influential individuals ; ten works all band conductors at all levels should study ; ten composers whose music speaks in especially meaningful ways ; the future of the wind band ; other facets of everyday life ; comprehensive list of works for band.

This drum method book can be used for private instruction as well as group lessons. Private teachers will find that this method is comprehensive and practical. Elementary band directors can correlate most of the material with any elementary band series. The exercises, summaries, and rhythm studies will develop stick control, coordination, rhythm reading ability, and confidence. The material will enable the percussion section to develop musicianship and provide musical accompaniment for the entire band. - New rhythms are introduced and illustrated showing the method of counting and tapping of the foot. - Exercises are designed to develop each newly learned rhythm. - Summaries provide a continuous review of the newly learned material. - Rhythm studies exploit the newly learned material in all possible combinations Every lesson builds on those that came before, giving students a chance to practice what they have learned and reinforcing skills that will be used over and over. Intermediate and advanced students can use the material in this book in the following ways: 1. Flams can be played on all the quarter notes 2. Flam Taps can be played on all the eighth notes 3. Flam Paradiddles can be played on all the sixteenth notes Private teachers and elementary band directors will find that this method assures a higher standard of musicianship for drummers.

Dax Phillips has never known stability, so he does his best to work toward it. But when things get to be too much, he hopes someone else will take control and make him forget how stressful life is. Anderson Engleson has a lot to show for his hard work. He has a successful career, nice house, a close best friend, but he's yet to find that one person he can call his. Unfortunately for Dax, that's also not something he's necessarily looking for. Can a one-night stand turn into more? What if everything is against them? When Professor Anderson Engleson and his new student Dax Phillips realize what could happen if anyone found out, will they call it quits? Will they make it another sixteen weeks or are they willing to break all of the rules? After all, they can't deny that sizzling chemistry they have. Can they? Sixteen Weeks is a stand alone 18,300 word short story that was previously part of a group giveaway. It has a HFN ending. No new content has been added. It is intended for adults over 18 years of age.

Miles discusses his life and music from playing trumpet in high school to the new instruments and sounds from the Caribbean.
