fit out & refurbishment Our offices have become much more than simply a space where we come to work. Often required to be multi-functional environments or house a range of identifiable departments, it is becoming increasingly important for our offices to be moulded around the way we work - not the other way around.

~~TurnKey Fit Out by Vision Projects, Leading Fit Out ...~~

Turn-key interior design means that you get full support at the stage of its creation and implementation. You do not have to think about where to find a contractor, track supplies of orders, check out timing and accuracy of work, go shopping in search of necessary furniture and everything. We will do this for you in the framework of a single contract for all work with our studio.

We will serve you with a wide array of interior necessities like decor, furnishing or any other interior decor work when it is about offering turnkey design solutions to any residential or commercial buildings.

~~Interior Fit out Company & Turnkey Project Services in ...~~

A turnkey office design and fit out is arranged by the developer or landlord to provide the tenant with a space that's fitted out ready for use. One of the great benefits of a turnkey office development for the tenant is that they are saved the task of appointing and managing suppliers to provide the design and fit-out.

industry. To illustrate how corporate strength, managerial abilities and technical skills play essential roles in the construction of technologically demanding projects, the book also features profiles of eight of Hong Kong's foremost contractors. As the Hong Kong Construction Association celebrates its 75th Anniversary in 1995, this publication is an appropriate tribute to the many contracting companies that have served Hong Kong with distinction.

Volume 3 of the history of Commonwealth Engineering picks up the story where volume 2 left off. The takeover of rival firm A. E. Goodwin allowed Comeng to enter the lucrative and very successful business of building Alco-powered diesel-electric locomotives, for the growing iron ore mines in Australia's northwest. The company's long-established business of building buses and other road transport vehicles continued, as did the arm of Comeng that supplied curtain walling for the high rise buildings around Australia. The company was now the largest rolling stock manufacturer in the Southern Hemisphere.

The terms of the Conditions of Contract for Design - Build and Turnkey have been prepared by the Federation Internationale des Ingenieurs Conseils (FIDIC) and are recommended for general use for the purpose of the design and construction of works where tenders are invited on an international basis; with minor modifications, the Conditions are also suitable for use on domestic contracts.

Hotels and Resorts: An investor's guide presents a comprehensive analysis of how hotels, golf courses, spas serviced apartments, gyms and health clubs and resorts are developed, operate and are valued. Drawing on over 18 years' experience in the leisure property industry, David Harper provides invaluable advice on how to buy, develop and sell such properties. Working through the required due diligence process for purchases, including how to identify a "good buy", through the "route map" for a successful development and ending with how to ensure you maximise your returns when selling the asset, this book covers the whole life-cycle of leisure property ownership. Examples of valuations, development issues and sales processes are taken from the USA, UK, France, Nigeria, Kenya, Australia, Hong Kong, Singapore and Brazil provide in depth analysis on the similarities and differences in approach to hotels and resorts in various parts of the world. This book provides invaluable guidance to international investors, developers, asset managers and students in related subject areas.

Thousands of interior design professionals have come to rely on The Interior Design Business Handbook for comprehensive, accessible coverage of the essential procedures, tools, and techniques necessary to manage a successful interior design business. The Fifth Edition of this essential resource has been revised to address the latest trends and changes in the field, with new and updated material on business size and structure, building a brand, client development, social networking and Internet marketing, finances, purchasing, technology and software programs, and other key areas. Complete with more than 75 sample forms and letters, this Fifth Edition is a one-stop resource for all aspects of establishing and running an interior design business—from choosing a location and managing day-to-day operations to growing a business and putting it up for sale. All of the techniques and procedures in the book are rooted in real-world experience and are used daily in successful design firms
