Elizabeth Griscom Ross, née Griscom, also known by her second and third married names, Ashburn and Claypoole, was an American upholsterer who was credited by her relatives in 1870 with making the first American flag, accordingly known as the Betsy Ross flag. Though most historians dismiss the story, Ross family tradition holds that General George Washington, commander-in-chief of the Continental Army and two members of a congressional committee—Robert Morris and George Ross—visited Mrs ...

*Betsy Ross – Til Valhalla Project*

Facts about Betsy Ross talk about the woman who made the first American flag in 1776. She was born on 1 January 1752 and passed away on 30 January 1836. Betsy Ross was born as Elizabeth Phoebe Griscom. She was also called as Elizabeth Ashburn and Elizabeth Calypoole due to her second and third marriage.

Born the eighth of seventeen children in Philadelphia, Betsy Ross lived in a time when the American colonies were yearning for independence from British rule. Ross worked as a seamstress and was eager to contribute to the cause, making tents and repairing uniforms when the colonies declared war. By 1779 she was filling cartridges for the Continental Army. Did she sew the first flag? That's up for debate, but *Who Was Betsy Ross?* tells the story of a fierce patriot who certainly helped create the flag of a new nation.

A richly woven biography of the beloved patriot Betsy Ross, and an enthralling portrait of everyday life in Revolutionary War-era Philadelphia *Betsy Ross and the Making of America* is the first comprehensively researched and elegantly written biography of one of America's most captivating figures of the Revolutionary War. Drawing on new sources and bringing a fresh, keen eye to the fabled creation of "the first flag," Marla R. Miller thoroughly reconstructs the life behind the legend. This authoritative work provides a close look at the famous seamstress while shedding new light on the lives of the artisan families who peopled the young nation and crafted its tools, ships, and homes. Betsy Ross occupies a sacred place in the American consciousness, and Miller's winning narrative finally does her justice. This history of the ordinary craftspeople of the Revolutionary War and their most famous representative will be the definitive volume for years to come.

The personal struggles of the woman generally credited with having created the first American flag are set against the backdrop of the colonists' fight for independence.

Recreates the childhood of the woman traditionally remembered as the maker of the first American flag, which was secretly presented to General George Washington in Philadelphia in 1776.

Recreates the childhood of the woman traditionally remembered as the maker of the first American flag, which was secretly presented to General George Washington in Philadelphia in 1776.

Inch by inch, bit by bit, Betsy Ross clips, dips, and stitches the first American flag. Based on a sketch Betsy's friend George Washington gave her in 1776, the flag had thirteen stripes and thirteen stars, which Betsy showed George how to make with a single clip of her scissors. Included activity shows children how to make their own Betsy Ross star.

6 copies (Nonfiction)Also Available in Spanish!

The thirteen-stripe, fifty-star flag is as familiar an American icon as any that has existed in the nation's history. Yet the history of the flag, especially its origins, is cloaked in myth and misinformation. *Flag: An American Biography* rectifies that situation by presenting a lively, comprehensive, illuminating look at the history of the American flag from its beginnings to today. Journalist and historian Marc Leepson uncovers scores of little-known, fascinating facts as he traces the evolution of the American flag from the colonial period to the twenty-first century. *Flag* sifts through the historical evidence to---among many other things---uncover the truth behind the Betsy Ross myth and to discover the true designer of the Stars and Stripes. It details the many colorful and influential Americans who shaped the history of the flag. "Flag," as the novelist Nelson DeMille says in his preface, "is not a book with an agenda or a subjective point of view. It is an objective history of the American flag, well researched, well presented, easy to read and understand, and very informative and entertaining." "Our love for the flag may be incomprehensible to others, but at least we now have a comprehensive guide to its unfolding." ---*The Wall Street Journal* "The fascination of history is in its details, and the author of *Flag: An American Biography* knows how to find them and turn them into compelling reading.... This book brings out the irony, humor, myth, and behind-the-scenes happenings that make our flag's 228-year history so fascinating." ---*The Saturday Evening Post* "Timely and insightful." ---*The Dallas Morning News*

A brief biography of Betsy Ross describes how, according to some accounts, she helped design and then sew the first American flag.

In graphic novel format, describes the life of Betsy Ross, including the legend of how she came to sew the first American flag.
