Question: "What is the difference between Israel and Palestine?" Answer: The region where Israel is currently located was referred to as "Palestine" at least as early as the 5th century BC. Writings from such men as Aristotle, Herodotus, and Plutarch all refer to the land in this area as "Palestine."

What is the difference between Israel and Palestine ...

The Israeli-Palestinian conflict has its roots in the late 19th and early 20th centuries, with the birth of major nationalist movements among the Jews and among the Arabs, both geared towards attaining sovereignty for their people in the Middle East. The collision between those two movements in southern Levant upon the emergence of Palestinian nationalism after the Franco-Syrian War in the ...
