Wilderness Of Mirrors

Wilderness of Mirrors is a succinct and engrossing account of the Cold War battle of wits between the CIA and the KGB. It should be said that the word 'wits' here is something of a misnomer as far as the CIA was concerned at least, since it was for the most part outwitted by the KGB, thus belying its purported role as an 'intelligence' agency.

Vigil in a Wilderness of Mirrors (1990) is the debut solo album by Scottish neo-progressive rock singer Fish. Fish had departed Marillion in 1988. Although the recordings for this album finished as early as June 1989, EMI Records decided to delay the release until early 1990, to avoid collision with Marillion's album Seasons End (September 1989).

Vigil in a Wilderness of Mirrors - Wikipedia

Despite its age, Wilderness of Mirrors remains the most balanced treatment of Angleton and CIA counterintelligence. It helped deflate the emerging Angleton mythology and established a more objective frame of reference within which to evaluate the merits of the dueling defectors Golitsyn and Nosenko.
